

EXPERIENCE

D Frontend developer intern

Daresay by Knightec

September 2023 - ongoing

Within the scope of my frontend education, I work as a tech intern, where I participate in all processes and take on all tasks that a frontend developer has.

SR Journalist

Sveriges Radio

July 2022 - August 2022, substitute

I was a news reporter at the Kurdish editorial desk of Swedish Radio. I was responsible for publishing on the desk's website and social media. I produced news podcasts, telegrams, and conducted interviews.

Teacher

Uppsala kommun

August 2015 - June 2022, full time

I worked as a mother tongue teacher in Kurdish and Turkish at elementary and secondary schools.

University teacher

Uppsala University

January 2019 - June 2019, substitute

I taught an introductory course in Northern Kurdish, 15 credits, at the Department of Linguistics and Philology.

SR Journalist

Sveriges Radio

October 2013 - December 2017, part time

I worked as a news reporter, producer and presenter for the Kurdish desk of Swedish Radio.

Robin Sahin

Frontend Developer

I am a curious and committed junior Frontend developer always open to try new ways of development.

I live in Stockholm and am currently I work as a intern at a consult company.
